## **Orion Energy Systems' CEO Neal Verfuert and CFO Scott Jensen to Speak at Roth, Jefferies Conferences**

MANITOWOC, Wis., Mar 4, 2010 (GlobeNewswire via COMTEX News Network) -- Neal Verfuert, CEO of Orion Energy Systems, Inc. and Scott Jensen, CFO, (Nasdaq:OESX), will speak at two investors conferences in March that include the Roth 22nd Annual OC Growth Stock Conference and the Jefferies Global Clean Tech Conference.

Verfuert and Jensen will speak at 1 p.m. PDT on March 16 at the Roth Conference in Dana Point, Calif. The Roth conference brings together executives from more than 350 growth companies. The event is designed to provide investors with a unique opportunity to gain insight into small- and mid-cap growth companies across a variety of sectors.

At 11:15 a.m. EDT on March 17, Verfuert and Jensen will speak at the Jefferies Global Clean Tech Conference in New York City. The conference will feature presentations from leading public and private companies across the clean technology spectrum, and will bring together industry leaders to help investors identify near- and long-term investment opportunities and discuss clean technology trends in the U.S. and abroad.

Orion Energy Systems, Inc. is a leading power technology enterprise that designs, manufactures and deploys energy management systems, consisting primarily of high-performance energy-efficient lighting, intelligent wireless control systems and direct renewable solar technology for commercial and industrial customers.
