Access by webcast:

Go to the Investor Relations section of Orion Energy Systems website at <http://investor.oriones.com/events.cfm> for a live webcast link. To ensure a timely connection, it is recommended that users register at least 15 minutes prior to the scheduled webcast.

Orion Energy Systems, Inc. (Nasdaq:OESX) is an energy management company with a track record of delivering sustainable energy savings. Orion designs, manufactures and deploys energy efficient lighting systems and controls to commercial and industrial companies. Orion's technology displaces base and peak load capacity at a lower cost than traditional generation while providing sustainable financial, workplace and environmental benefits. Through September 30, 2007, Orion has deployed energy management systems in 2,100 facilities across North America, including 78 of the Fortune 500 companies, resulting in a cost savings of \$265 million, a reduction of base and peak load electricity demand by 278 megawatts, and indirect carbon dioxide emissions by 3.4 million tons.
