Orion Energy Systems to Present at Upcoming Investor Conferences

MANITOWOC, Wis.--(BUSINESS WIRE)-- Orion Energy Systems, Inc. (NYSE MKT: OESX), a leading power technology enterprise, today announced that management will participate in several investor conferences during December, 2013. During these events, John Scribante, Chief Executive Officer, and Scott Jensen, Chief Financial Officer, will review the Company's operations and outlook. Institutional investors are encouraged to attend.

- December 3: LD Micro Growth Conference in Los Angeles
- December 10: Roth Capital Industrial Growth & Cleantech Conference in Chicago
- December 11: The Benchmark Company Micro Cap Discovery Conference in Chicago

The LD Micro conference will also include an audio webcast of the Company's presentation, which will be accessible via the Orion website. To listen and view related materials, please visit www.oesx.com. A replay will be available for 90 days.

About Orion Energy Systems

Orion Energy Systems, Inc. (NYSE MKT: OESX) is a leading power technology enterprise that designs, manufactures and deploys energy management systems — consisting primarily of high-performance, energy efficient high intensity fluorescent (HIF) and light emitting diode (LED) lighting platforms, intelligent wireless control systems and direct renewable solar technology for commercial and industrial customers — without compromising their quantity or quality of light.
